Re: *United States v. Hough*  
Case No. 03-174

Dear Don:

I have enclosed a filed copy of a Notice I was required to file indicating all "live" motions the Court is to consider in conjunction with your 2255.

Also, I am not sure if I mentioned this to you previously but I do not accept email invitations from my incarcerated clients. Several years ago I had a bad experience with this system which created a somewhat dire situation involving my accounts. For this reason, I tell clients to either write me a letter or call.

I will send you a copy of the government's response to your 2255 once it is filed.

Very truly yours,
